

AWARDS OF DISTINCTION

61<sup>ST</sup> ANNIVERSARY EDITION

## **Fellow UAG Partners,**

Thank you for attending the United Aqua Group's (UAG) Awards of Distinction (AOD) Gala. Your presence truly made the Gala a spectacular event, marking the culmination of an outstanding week spent in the company of our UAG partners, vendors, and staff, all while celebrating the achievements of our phenomenal AOD winners.

The Membership Advisory Council (MAC) is honored to present the 2024 UAG AOD booklet with you. This booklet is a showcase of excellence and innovation – the very best that UAG has to offer.

Once again, we received a record number of entries (304) flooding in from our Service, Retail, Residential, and Commercial Members. A big thank you to everyone who submitted, and we look forward to an even greater number of entries next year.

Selecting the award winners was no small feat, given the multitude of deserving submissions. We could not have done it without the support of the UAG team: Kyle Erwin and April Dionne, along with fellow UAG Members: Jason Vaughan, Brooke Rossi, Robert Morgan, Matt Gohlke, Jordan Clarkson, Josh Atkinson, Lauren Womick, and Tim Freeman. Without their collaboration, this event would not have been possible.

And now, dive into the AOD booklet and celebrate the extraordinary achievements of our winners. Join us in extending a heartfelt congratulations to them for their accomplishments!

*Sincerely,*  
*Dustin J Watters*  
*MAC Chairman*
