

AWARDS OF DISTINCTION

60TH ANNIVERSARY EDITION

Greetings UAG owners,

We are delighted that you could join us for our 60th commemorative Gala Awards night. The Gala signifies the culmination of a fantastic week spent connecting with fellow UAG partners, vendors, and staff and serves to honor the Best of the Best UAG builders, service, and retail Award of Distinction winners. The Membership Advisory Council (MAC) is honored to share this year's UAG AOD booklet with you. The projects outlined showcase the incredible talent of and beautiful work created by some of the best companies in the industry who are part of our group.

Once again, we received a record number of entries in a wide variety of categories from our Service, Retail, Residential, and Commercial owners. We thank all of those who submitted projects and took the time to capture high-end, sophisticated photographs that reflect their talent well. We look forward to receiving even more entries next year.

Identifying the award winners is a daunting challenge, as there are many deserving submissions. We could not present these winners to you without the help of UAG staff: Kyle Erwin, with fellow UAG partners: Jordan Clarkson, Josh Atkinson, Lauren Sparks, Matt Gohlke, Robert Morgan, Jason Vaughn, Andrew Everleigh, Brooke Rossi, and Tim Freeman. Thank you for all of your help making this year's AOD possible.

Finally, we hope you enjoy the AOD booklet and congratulate the winners on their amazing achievements.

Sincerely,

Dustin J Watters, *MAC Chairman*
