

AWARDS OF DISTINCTION

63RD ANNIVERSARY EDITION

Dear UAG Members,

What a remarkable year it has been for United Aqua Group! As we gather to celebrate the 2025 Awards of Distinction, I am filled with gratitude for the passion and dedication that each of you brings to our community. The Gala is not just an event—it's a testament to the excellence and innovation that defines UAG.

This year's awards represent the pinnacle of achievement across our service, retail, residential, and commercial members. It's more than just a collection of awards; it's a showcase of what is possible when talent, hard work, and collaboration come together. Every project featured here tells a story of creativity and commitment that elevates our industry.

I am thrilled to share that participation in this year's awards surpassed all expectations, with 202 outstanding entries submitted. To those who shared your work with us: thank you for your courage to step forward and inspire others. To those who are considering submitting next year: we can't wait to see what you have to share.

The task of selecting winners from such an impressive pool of submissions is never easy. I extend my heartfelt thanks to the incredible UAG team—Kyle Erwin, April Dionne, and Brittany Burridge—as well as my fellow members: Jason Vaughan, Brooke Rossi, Dustin Watters, Wes Gohlke, Jordan Clarkson, Josh Atkinson, Lauren Womick, and Tim Freeman. Your dedication made this celebration possible.

As you turn the pages of this booklet, I encourage you to reflect on the extraordinary achievements of this year's winners. These projects are more than just award-winning—they are an inspiration for us all to aim higher and achieve more together.

On behalf of the Membership Advisory Council (MAC), congratulations to all of this year's honorees. Let's continue to build on this momentum and make 2025 another year of distinction for UAG.

Sincerely,
Robert Morgan
MAC Chairman
